Officer Starr: Get out of the road.

(inaudible)

**Mr. Hayes:** Oh yeah so this is what I did. I just checked on the homie in the back of the squad seat just to make sure he was alright and the cops tripped because I'm looking after my community member. This is KPD right here. KPD doesn't care if you're looking out for other people in the community. They don't give a fuck. They gonna do the fuck they wanna do, don't give a fuck about you. Because I'm a black man they feel threatened because I'm a black man who doesn't respect their authority. This is bullshit. Look at them. Huh.

Officer Starr: I'm not threatened by you.

**Mr. Hayes:** Yeah well you should be. (inaudible) Alright. You see what happens when you stand up for your community. This is what happens when you stand up for your fellow Knoxvilleans, KPD will fuck with you cause KPD don't give a fuck. All I did was check on... all I did was check on the homie right there.

Officer Starr: And I told you he was fine.

**Mr. Hayes:** Yeah I don't give a fuck what you're saying, I just wanna get your badge... I asked for his badge number, he wouldn't give it to me, instead arrested me. All I did was ask for the badge number.

Officer Starr: Have a seat.

**Mr. Hayes:** Well fuck y'all.

Unknown: Thank you.
